

2011-2012 ANNUAL APPEAL

MINIMUM GOAL \$150,000

THE VANGUARD SCHOOL

- \$25,000** **Technology Upgrades**
These funds will be used to install cutting-edge technologies in the classrooms, including interactive whiteboards, projectors, software suited to meet the needs of students, and online subscriptions to educational content.
- \$30,000** **Program Enhancements**
Soundbeam equipment will be purchased for students' music programs. Funds will be utilized for extracurricular activities such as assemblies, life skills and cultural field trips, and recreational programs that enhance the curriculum.

VANGUARD TRANSITION CENTER

- \$30,000** **Technology Library**
Funds will be used to acquire digital notepads, assistive technology applications, and necessary accessories to meet the needs of our learners.

SUMMER MATTERS

- \$25,000** **Camp and Respite Supplies**
Purchase of new equipment and supplies to ensure that camp and respite programs offer high-quality educational programming.

THE LUMA CENTER

- \$5,000** **Program Enhancements**
Acquire the most recent version of testing materials and resources to identify the needs of diverse learners. Create a lending library to ensure that families have access to resources to support their children's education.

VALLEY FORGE EDUCATIONAL SERVICES

- \$20,000** **Professional Development**
Offer high quality professional development to our faculty and staff in the All Kinds of Minds curriculum, a program which aids teachers in identifying students' learning styles and strengths to plan the most effective instruction.
- \$15,000** **Technology Upgrades**
Upgrade the campus to a new wireless network infrastructure to enable greater coverage, enhanced functionality, and ease of management as staff work together to provide educational services for students.
