

Speech & Language Therapist

Position:

The Vanguard School, a program of Valley Forge Educational Services, has an opening for a Speech & Language Therapist to provide students with services that promote improvement in receptive and expressive language skills, speech intelligibility, non-verbal communication skills, written language skills and socialization. The Speech & Language Therapist will work in close collaboration with the classroom teacher and therapists from other disciplines to offer an integrated teaching and treatment approach in implementing the IEP. Services are based on the developmental and clinical needs of the student.

This is a full-time position for the 2012-2013 school with summer work available. The work schedule is Monday through Friday, 8:00 AM to 3:30 PM.

Employer:

Valley Forge Educational Services provides a wide variety of educational services for young children, adolescents, and pre-21 adults ranging from school-based programs (*The Vanguard School*) and summer programs (*Summer Matters™*), to post high school transition skills (*Vanguard Transition Center*) and center-based services (*The Luma Center™*). Our programs benefit children whose exceptionalities include: autism spectrum disorders, neurological impairment, developmental delay, learning disabilities, or sensory processing disorders. VFES programs share a beautiful 28 acre campus in Malvern, PA, approximately 30 minutes west of Philadelphia, PA.

Requirements:

- ◆ Master's degree in Speech Pathology or a related degree
- ◆ PA Department of Education certification in Speech & Language
- ◆ Minimum of 5 years experience working in a school-based, special education program, preferably with students with autism and communication disorders
- ◆ Certificate of Clinical Competency (CCC) is preferred
