2012 “Special Kids” Camp Expo
Saturday, January 28, 2012
(snow date: Saturday, February 4)
1:00pm-4:00pm
VFES Activities Center, Malvern, PA

Valley Forge Educational Services (VFES) invites you to feature your summer camp or recreation program at its **2012 “Special Kids” Camp Expo**. The mission of this Expo is to showcase recreational and educational summer programs and to educate parents about the options available to their children with learning differences and/or special needs during the summer months. In addition we also invite regional resource organizations to provide information to participating families. We consider this a valuable community service — one we are proud to offer.

The Expo will be advertised to area residents and agencies through ads/listings in local papers, on websites, and through flyers and mailings to area public, private, and parochial schools, businesses and community service organizations. **The cost to participate is \$125 by December 1st. After December 1st, the cost will be \$175.** This price includes one eight-foot table and two folding chairs. Additional tables and electrical outlets may be purchased.

The event will be held in our multipurpose room in the VFES Activities Center, offering a comfortable and personal experience for families and vendors alike. All families who attend will receive a complimentary directory containing the name, description and contact information of all participating vendors. **Space available is on a first-come, first-served basis, so it is important to RSVP early.**

To reserve your spot today, please complete the enclosed registration form and return it with your check (payable to Valley Forge Educational Services). If you have any questions, contact Holly Zipperer at 610.296.6725 x115 or hozipperer@vfes.net. To learn more about Valley Forge Educational Services, visit www.vfes.net.

Regards,

Holly Zipperer
