Social skills development and summer fun!

- » For campers with autism, developmental disabilities and learning differences
- » Emphasis on strengthening interpersonal skills and self-advocacy
- » Low camper-to-staff ratio
- » Behavior support
- » Small group activities and structured daily programs
- » Weekend travel excursions (pending COVID restrictions)
- » COVID-19 protocols will be in place per CDC guidelines

Located on Camp Kweebec's 200+ acres in Schwenksville, Pennsylvania, VFES offers a camp experience that fosters independence and cultivates friendships within the context of traditional camp activities, such as fishing, swimming, boating, arts and crafts, sports and games, cooking and environmental education.

Day Camp transportation is provided between our Malvern campus and the camp property in Schwenksville (pending COVID-19 restrictions). Families also may choose to drop off and pick up their camper at Camp Kweebec daily.
