

Middle School Additional Assistance Intervention Request Form

Addressed to: Middle School Tier II Behavior Assistance Team

As part of the Middle School's Vanguard Values System, or the School-Wide Positive Behavior Interventions and Supports, we use several interventions to support student behavior. Tier I interventions include consistent teaching of behavioral expectations, responding to problem behavior and data-based decision making. Tier II interventions are a second layer of interventions which include individual counseling, CICO (Check in Check Out), and group counseling. These interventions are put in place for students to help them reach their fullest potential. Based on this request, teacher report, and behavioral data, the Vanguard Middle School Tier II Behavior Assistance Team (msbatteam@vanguardschool-pa.org) will determine the best course of intervention for your middle school student.

Student Name: _____ **Grade:** 6th 7th 8th

Date: _____ **Teacher:** _____

Your Name: _____

Relationship to student: _____

Describe your concern:

Please e-mail the completed form to msbatteam@vanguardschool-pa.org!

Thank you for sharing your concerns with us! We are happy to help!
